

CREATOR - WINTER 2011

As you can see, we have been keeping busy in the run-up to Christmas.... We would like to wish you all a very Merry Christmas and we look forward to working with you in 2012.

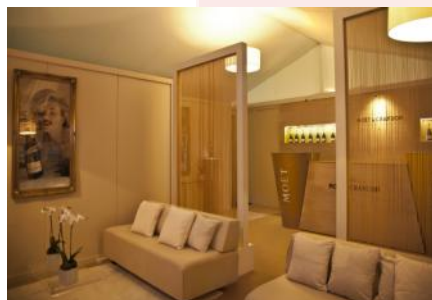

Red Bull Formula 1 Team Christmas Party, Silverstone

Creator was delighted to be involved in the build and installation of a winter wonderland for the Red Bull F1 team Christmas party. By our reckoning, working for the number one F1 team must make us the number one scenic construction company...

Moët Champagne Bar, ATP Tennis Finals, The O2

Creator was recently commissioned to build and install a champagne bar and hospitality area for Moët at the Barclays ATP World Tour tennis finals at The O2. We did not disappoint, creating a luxurious lounge area and bar, furnished and finished to the highest standard, befitting this world-renowned brand.

Other projects that we have worked on recently include:

Build and installation of two champagne bars for the **Moët British Independent Film Awards** at Old Billingsgate; the **Febreze** ultimate odour experiment at Westfield Stratford; build and installation of the set for BBC's new show "**That's Britain!**"; a staff communications project at **British Airways** headquarters.
